Ushers needed for 9:15 and 11:15 services
The Ushers Guild is seeking additional ushers who can serve at either 9:15 or 11:15 services, beginning in September. You don’t have to be a longtime parishioner — this is a great way to get involved if you’re new to the parish. You only need to commit to ushering once every one to two months, and you get to choose the Sundays you’re available. The first few times you’re scheduled, you’ll be paired with a veteran usher who can help answer your questions and guide you through the service. For more information, or to schedule a 10-minute training, contact Steve Novak at saintlukeushers@gmail.com.

Flower Memorials
Please contact Fr. Gabriel Lamazares at 212.924.9327 or glamazares@stlukeinthefields.org to request a Flower Memorial in celebration of a special event or in memory of those who have died. Flowers can be given for any Sunday except for the Sundays in Advent and Lent when by tradition no flowers are used. It is possible for more than one commemoration to be observed on any Sunday. The suggested donation is $200 per memorial to cover costs. Checks should be made payable to the Church of St. Luke in the Fields, with a memorandum “donation for flowers.”

Children’s Liturgy and Care
St. Luke’s seeks to nurture and support children’s participation in liturgy and prayer. Children are always welcome in worship, and childcare is available for infants through age six in the nursery at the Parish House through September 6, 2015. The nursery will move to the JK classroom, in the St Luke’s School building beginning September 13. Please ask an usher for directions. If your child is sick, we ask that you do not bring your child into the nursery. For more information please look for the “Welcome Babies and Children” information card on the Parish Life Table, or call Mo. Emily at 212.633.2099.

Sacraments of Healing and Reconciliation
There is a Service of Healing that follows the 11:15am Eucharist Sunday mornings (10:30am during the summer) at the icon and votive of the Blessed Virgin Mary. If you are worshiping at other services and wish to receive prayers and the laying on of hands for yourself or on behalf of a loved one, please know that the sacrament of healing—as with the sacrament of reconciliation—is always available by request from the clergy.

Stewardship Stories with the Parishioners of St. Luke’s
Rachel Hurn
“I grew up in Southern California, in a conservative, Calvinist church where... you could attend for six weeks in a row and on the seventh week, someone would still ask you if it was your first Sunday... I felt that I should be giving somehow, so for a long time... I gave where I personally knew it was needed.... I see it as a beautiful gift that God has placed in us. To care about communities, organizations, and friends enough to want to take care of them, to see them grow... I love how welcoming St. Luke’s was right from the start... I feel truly blessed to be part of such a dynamic and growing community. It’s where I decided to be received into the Episcopal Church, to continue my relationship with God in a way that feels right and good for me. It’s where Drew Krause and I are building our lives–and where we met! It’s where I come when I need to feel centered, and to come home.”

The program will include the In Nativitatem Domini, H.416, Charpentier’s most substantial dramatic oratorio for the Christmas season.

Do You Need Pastoral Care?
Please let a clergy person know if you are having a hard time and need pastoral care. There are a variety of forms this care might take. For example, we can often arrange to visit you in the hospital or at home, we can have a Eucharistic Visitor bring you communion, we can offer a listening ear, and/or we can get you in touch with lay pastoral care givers in the parish. Please contact Fr. Gabriel Lamazares if you have questions at glamazares@stlukeinthefields.org or 212.924.9327. Monthly meetings consist of 3 parts, each lasting about 20 minutes: 1) a review of pastoral needs in the parish and development of plans to address them; 2) a brief training to help develop participants’ pastoral skills; and 3) a supportive check-in, where reflection and discussion on experiences in caregiving are invited. Please contact Fr. Lamazares for more information.
